FORUM**

Date : May 30, 2019

As part of a mutual recognition on the importance of sustainable, global partnerships providing the impetus for international mobility of higher education faculty and students, the Taiwan Education Center (TEC) – Philippines and the Philippine Association of State Universities and Colleges (PASUC) will jointly host the second annual **Taiwan-Philippines University Presidents' Forum 2019**, with the theme "*Creating Sustainable Partnership for Educational Mobility in the Asian Region.*"

With this year's forum to be held at the picturesque, oceanfront venue of the National Sun Yat-sen University in Kaohsiung, Taiwan on July 7-9, 2019, the event promises to bring together university administrators and academicians, research managers, innovators, industry leaders and other professionals from Taiwan and the Philippines, which would enhance existing ties and forge new collaborations in instruction, research, industry-academe partnerships, language learning, and talent exchanges.

As a valuable partner in this worthy endeavor, we are inviting you to take part in this President's Forum. The technical insights and profound experiences that you can share with the participants will be instrumental to ensure the event's success. The event also brings exciting opportunities for your university or college in various levels of engagement.

For details and other inquiries about the forum, you may contact the PASUC Secretariat through email pasuoffice@gmail.com or at telephone no. (02) 376-6213 or Ms. Vivian Chung of the Office of International Affairs of NSYSU via vivwchung@mail.nsysu.edu.tw.

We are looking forward to seeing you at the harbor city of Kaohsiung!
